

It's going to be FAB...see you there

British company **Firesafe Fire Rated Ductwork Ltd** is pleased to support **SMACNA** and our International Partners by sponsoring and presenting a workshop at this **FAB FORUM** in April.

UK • EUROPE • MIDDLE EAST • ASIA • USA

CASWELL FIRESAFE®

THIRD-PARTY CERTIFIED BY INDEPENDENT NOTIFIED BODY

Not only are our Manufacturing Partners **Atlantic Air Products MFG LLC** and **McCusker-Gill Inc** based in the SE of Greater Boston but, even better, Mc Cusker-Gill are the focus business of the forum and are to host activities at their Hingham facility.

As Partners they proudly manufacture, install and certify **CASWELL FIRESAFE®** systems under license in the USA and benefit from the engineering design excellence and world-class support that we offer.

As a Member of the International Code Council (ICC), our business model is the perfect fit for **SMACNA** members.
