Re: Article X, Section 8: SMART Local Union 66 &
Northwest Mechanical & S/M Contrs. Assn.

Ladies and Gentlemen:

The National Joint Adjustment Board (NJAB) for the Sheet Metal Industry met September 10, 2018 in Minneapolis, MN to hear the above-referenced matter. Tom Goodhue and Scott Davis appeared on behalf of the Employers' Association. Tim Carter, Lance Deyette, and Steve Musser appeared on behalf of the Local Union. NJAB member Tim Carter did not participate in the deliberations and determination of the Board.

A review of the record demonstrated that all procedural requirements had been met. The matter, therefore, was properly before the NJAB for decision.

The NJAB, after thoroughly reviewing the record and considering the oral presentation on behalf of all parties, reached the following unanimous decision:

The parties shall adopt all terms and conditions of the current agreement between Local 66 and SMACNA – Western Washington, Inc. which will be effective as of June 1, 2018. Wages and fringes shall be paid retroactively to June 1, 2018 by September 30, 2018.

The Letter of Understanding concerning Material Handlers and Apprentices as agreed to by the parties will be effective as of the date of this decision.

No further changes, except those agreed to locally by the parties, are directed.

Your attention is directed to the following language contained in the Procedural Rules of the NJAB under Article X, Section 8 (a):

“The unanimous decision of said Board shall be final and binding upon the parties, reduced to writing, signed and mailed to the parties as soon as possible after the decision has been reached.”
